

# PEC 120

## EXCELLENT PERFORMANCE AT AN UNBEATABLE PRICE

The PEC 120 is our best-seller in this range due to its performance and reasonable price.

This platform is lifted by a triangle mast, compatible with other of our machines, such as the EPM 1000 and the PT 1200 passengers and material hoist and the MC 1000 material hoist.

### Main features:

- **Maximum length:** 9,99 m (single mast) and 32,11 m (twin mast).
- **Load capacity:** 1800 kg (single mast) and 4000 kg (twin mast).
- **Maximum speed:** 9 m/min.
- **Maximum height:** 120 m (ask us for greater heights).
- Variety of accessories for complex facades.
